

Tooltron - Bug #1179

Tool ACL issues

03/24/2010 01:42 PM - Kevin Woo

Status:	Fixed	Start date:	03/24/2010
Priority:	High	Due date:

Target version:			
Description			
This has been reported by 2 different people (Austin, Paul) for different tools (Bandsaw, Mill, Drill Press) where they have access to the tool but tooltron repeatedly denies them. However occasionally it will let them through.			
Also, I swiped 4-5 times and got red lights or no lights but I got the bandsaw to turn on. Probably on one of the times it didn't light up.
