Colony Scout - Task #1117

Reflow Oven Temperature Regulation

02/21/2010 08:46 PM - Dan Shope

Status:	Assigned	**Start date:**	02/21/2010
Priority:	Tabled	**Due date:**	
Assignee:	Dan Shope	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			

Description

Find way to accurately measure oven temperature (IR and Dial does not work, underestimates)

Get standalone temperature probe or something that can plug into existing roboclub equipment.
