

Tooltron - Bug #1133

Tool and server take wrong turnon message

02/26/2010 12:48 PM - Kevin Woo

Status:	Fixed	Start date:	02/26/2010
Priority:	Normal	Due date:	
Assignee:	Brad Neuman	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
The turnon message is defined at 'O' (capital "oh") when it should be 'o' (lower case "oh"). The server should send the later rather than the later
