USB Powering
Simpler power supply (5V on switching, 1.8V and 3.3V on ldo's off of that)
Antennae Amp

History

#1 - 07/29/2010 07:13 PM - Kevin Woo

Changed to Gumstix and eliminated tons of hardware. Much simpler board now.

#2 - 07/29/2010 07:15 PM - Kevin Woo

- Status changed from Assigned to Wontfix

Changed to gumstix and removed all extraneous hardware
