

Colony - Bug #186

Excessive cpu usage in ColonetServer

01/21/2008 10:33 PM - Eugene Marinelli

Status:	Fixed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	ColoNet	Estimated time:	0.00 hour
Target version:	ColoNet		
Description			
Seems to take up all of my cpu when I run it. Need to add sleeps or something.

- Status changed from New to Assigned

#2 - 01/29/2008 08:12 PM - Eugene Marinelli

Caused by wl_do loop.

#3 - 01/29/2008 08:50 PM - Eugene Marinelli

- Status changed from Assigned to 5

This is actually being caused by something in the wireless library. Most of our time is spent in xbee_wait_for_string.

I added sleeps to all of our looping functions, and CPU usage is now almost 0.
