Colony Scout - Bug #2122

Standardize encoders

11/17/2012 03:35 AM - Alex Zirbel

Status:	Fixed	**Start date:**	11/17/2012
Priority:	Normal	**Due date:**	
Assignee:	Alex Zirbel	**% Done:**	0%
Category:	Scoutsim	**Estimated time:**	0.00 hour
Target version:			

Description
Encoders currently give 336 ticks/m. They should be giving 363.78. The difference is probably due to rounding errors.

History

#1 - 02/03/2013 03:24 PM - Alex Zirbel

- Status changed from Assigned to Fixed

Reasonably fixed - can't get it more precise without hardware testing anyway.
