

## Colony - Enhancement #236

### Grab images within server code instead of using coriander

02/06/2008 11:24 AM - Eugene Marinelli

| It is annoying to need coriander for image capture. Would be nice if server code grabbed the images on its own. |                  |                        |           |
