Battery Level Indicator																												
Improve library error codes																												
Better sanity check for invalid BOM type																												
XBee/Wireless Initialization																												
get all the library inti's and functions ()																												
Xbee Documentation																												
xbee baud rates																												
Wireless - core send, ack functions																												
Wireless - xbee.c																												
xbee id																												
investigate new AVR simulator?																												
Conclusion on filter design		Assig																										
Figure out rangefinders group		Assig																										
Complete SURG form		Assig																										
Check/Order robot battery clips		Assig	ıned	50%																								
Line Follower Collimator																												
Redo robot pants																												
Get Colony videos onto VideoTron. Embed in ()																												
Clean up repository branches																												
Add Line Following to Library																												
Profile different mapping surfaces																												
Make Hunter-Prey Ref More Verbose																												
Clean up Colony-New and prepare for next ()																												
Implement Intersection Behavior																												
wl_basic_do_default(int *length) doesn't ()																												
Schedule Fleet Maintenence Day																												
Discuss and Contact about Extra Colony III ()																												

04/25/2024 1/2

Colony - Hardware
Design Dragonfly Replacement Board
Investigate how to use the JTAG ICE
Colony - Library
Make sure all robots program the correct ()
Colony - Reliability
Automatically update robot status page ()
